Subject: DOJ objection to CIA modification of OPM
draft annuity/felony bill

1. Attached for your review and comment is a Department of Justice (DOJ) letter commenting on the revised Office of Personnel Management (OPM) bill to deny retirement benefits to employees convicted of certain felonies. The Office of Management and Budget (OMB) has requested our views on the DOJ letter by 15 June 1984.

2. As you will recall, the Agency provided comments on the earlier version of this bill, as amended by DOJ, that would have provided OPM with administrative discretion over the denial of pensions under CIARDS. In our earlier letter, we specifically objected to this draft bill unless CIARDS was excluded from coverage. In response to our objections, OPM redefined the coverage of the draft bill to exclude CIARDS. In the attached letter, DOJ objects to the exclusion of CIARDS from coverage under the revised OPM draft bill.

3. Please provide me with your comments on the DOJ letter so that this office may respond to OMB in a timely fashion.
